PLEASE ENSURE YOU CLEARLY STATE THAT
YOU WISH TO ORDER FROM THE GLUTEN
FREE MENU TO ENSURE WE PROVIDE YOU
WITH THE RIGHT FOOD.

All our Gluten Free products are cooked in a dedicated frying pan, separate from our standard products. Only Gluten Free products are cooked in this fryer on our Gluten Free Days.

We use the same oil to fry our Gluten Free Cod, Plaice, Haddock, Battered Sausages, Plain Sausages and Chips. This means any product fried in that oil may contain traces of Fish (Cod, Plaice, or Haddock), Soya or Sulphites.

We take steps to try and stop nuts or traces of nuts from accidentally getting into ingredients before the food is served to you, but we cannot guarantee our food is completely nut or peanut free due to our business environment.

To the best of our knowledge, all information provided is correct at time of going to print (September 2021) and the products listed below are suitable for people intolerant to Gluten.

If we can help by providing further information for any of our products, please let us know and we will be more than happy to help.
